Intercultural Understanding

Carnaval in Spain.

In some places across the world, Carnival is simply a celebration with colourful parades, which can take place at any time of year. But in Spain it refers to the specific celebrations marking the big blowout before Lent. As Easter changes each year, so do the dates for Carnival, but it always takes place in the week leading up to 40 days before Easter Sunday.

Tenerife has one of the biggest and best Carnivals in the whole of the country, with lots of glittery costumes and huge floats.

There are also small parades for children. It is always fun to put on a fancy costume and go out to dance and have fun with your family and your friends.
