*One day time two women claimed that they were the mother of a baby. Solomon said he would **cut the baby in two** so each woman would have an equal share. To save the baby, the real mother said that the other woman could have the baby. By this, Solomon knew who the real mother was.*

Moses led the Israelites out of slavery from Egypt. They trusted him enough to walk to walk through the Red Sea.

The famous story about **Muhammad (Peace Be Upon Him)** began as he was meditating in a cave on a mountain known as Mount Hira. The Angel Gabriel, known as Jibreel in Islam, visited the **Prophet Muhammad** and shared the word of Allah. **Muhammad** continued to receive these revelations throughout his life which were remembered and recorded and now make up the Qur'an.

The cave on Mount Hira has become a key place where Muslim pilgrims visit every year. It is in Mecca.
