Different groups of people value different things in life. This may depend on if they follow a religion.

The top seven Christian values might be: God, love, truth, forgiveness, church, family, friends.

Other key values might include – kindness, sharing or caring. These can be important to non-religious people too.

People can still have good values even if they have no religion.

What are the 7 days of Holy Week?

Sunday: We celebrate Palm Sunday

Monday-Wednesday: Observe the cleansing of the temple.

Thursday: Celebrate Jesus washing the disciples' feet and the Last Supper

Friday: We mourn Jesus dying on the cross.

Saturday: A waiting period, as Jesus was in the tomb.

On Easter Sunday, Mary and some of Jesus' other friends went to the tomb. Jesus' body was gone, and the stone had been rolled away. An angel told them that Jesus had risen from the dead.

The Ascension

After Jesus' resurrection from death, he remained among his friends and family for forty days. One day, the clouds came down. Jesus left his disciples for the last time and ascended into heaven.

The disciples heard the sound of a violent wind and tongues of fire rested above each person's head, but no one was burned! Each of the disciples were filled with the Holy Spirit and they realised they could speak different languages. They travelled the world spreading the message of God.

Many Christians believe they receive the Holy Spirit when they are baptised as Christians and that the Holy Spirit is always with them, and therefore, God is always with them.
