

What is safeguarding?

Everyone at Hempshill Hall cares a lot about you!

We want to make sure that you stay healthy, safe and happy.

We work really hard to help you learn, make progress and be happy.

We also teach you how to spot risks, problems and stay safe.

How will we try to keep you safe?

We will provide a safe environment for you to learn in.

We want to make sure you stay safe at home and at school.

If you need to talk, we will listen to you.

We think it is important for you to know where to get help.
