Key Knowledge:

Many different people care for us. Some are in our families like our mum, dad, sister and brother but others are not. E.g., teachers, doctors, police.

By showing we care, we can help people manage their emotions.

E.g., Make somebody who is feeling sad feel happier. A world without caring would be a very sad place.

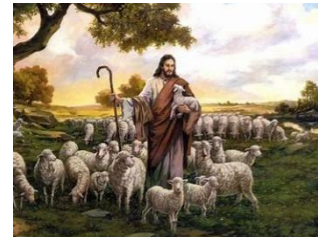

Jesus told stories to explain to others how to care for each other. The Story of the Lost Sheep is a well-known bible story.

A shepherd had 100 sheep but when he counted them at night 1 was missing.

The shepherd didn't give up looking until he had found the sheep safe and well.

Jesus said this is how God feels about us.

In the Story of the Good Samaritan a man stops to help a man who had been robbed and hurt and been ignored by other passers-by.

He takes the stranger to a village and pays for him to be looked after until he is well. The story teaches us that Jesus wants us to care for everyone.
